

Associate Fellow Recognition Dinner at Burritt on the Mountain

AIAA Greater Huntsville Section hosted an awards dinner on December 12th to recognize AIAA GHS members who were inducted as associate fellows in 2022. This event was held at Burritt on the Mountain with catering from Bubba's Silver Spoon. The program is archived [here](#). Space historian Dr. Roger Launius gave a talk on the legacy of the Apollo program prior to the awards ceremony. Those recognized included:

Andy Crocker, Dynetics

Dr. Robert Harris, CFD Research Corporation

Jody Singer, NASA Marshall Space Flight Center

George Story, NASA Marshall Space Flight Center

LTC Richard Tuggle, People-Tec

Dr. Naveen Vetcha, ERC

John Vickers, NASA Marshall Space Flight Center

A full gallery of pictures from the event is available at [this link](#). Additional thanks to Alan Lowrey (AIAA GHS treasurer) for photographing the event and Dr. Bob and Terri Tramel for their personal sponsorship.

2022 Associate Fellows from AIAA GHS (L-R): Dr. Robert Harris, Jody Singer, Dr. Naveen Vetcha, John Vickers, and George Story. Not pictured: LTC Richard Tuggle and Andy Crocker.
